

WENATCHEE VALLEY COLLEGE
Application for Employment Packet
Volunteer

This application packet should ONLY be filled out if an individual has been offered a volunteer job

The following checklist is provided to help the new employee and the college. All forms must be completed—and required documentation provided—before the application is considered complete.

Application for Employment – Volunteer (must be signed)

Employee Affirmative Action & Demographic Data Profile Form

This information allows the college to complete statistical reports on the composition of applicant and employee pools for federal and state agencies.

I-9 Form – Employment Eligibility Verification (must be signed)

Federal law requires that employers see certain identification documents that establish both the identity and the eligibility of a potential employee to work in the United States. Although the documentation requirement for the I-9 can be met with a variety of documents (most use a social security card and driver's license), it is the policy of human resources that **a copy of the individual's social security card must be provided to the human resources office** (or the card is viewed by an HR staff member). This requirement allows the college to make sure the name and number on the card is entered into our payroll system correctly.

Declaration Regarding Sexual Misconduct (must be signed)

By law, post-secondary education institutions cannot hire an applicant who does not complete this form

Safety Information (must be signed)

This information must be provided to all employees for the college.

Proof of COVID-19 Vaccination (For human resources eyes only – not the supervisor)

First, the applicant must provide a copy of their vaccination card OR the same information in writing to human resources. Second, on the first day of employment, the employee must add the vaccination information into ctcLink. Third, the employee must verify vaccination information via Zoom or in-person at human resources office.

Completed application materials must be received by the college, a completed background check must be performed and the employee must be processed in ctcLink before the individual can begin.

Questions regarding any part of the application process can be directed to human resources at 509-682-6440.

Although we do not pay volunteers, we still pay labor and industry for hours worked (except for AmeriCorps and VISTA—the sponsoring agency pays), therefore, please keep track of your hours and turn them into your supervisor each month.

Employee Affirmative Action and Demographic Data Definitions

Person with a Disability ([U.S. EEOC & ADA Amendments Act of 2008](#), September 2008):

For affirmative action data reporting purposes, people with disabilities are individuals with a permanent, physical, mental or sensory impairment that substantially limits one or more major life activities. Major life activities include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, and communicating. A major life activity also includes the operation of a major bodily function, including but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

The impairment must be both permanent and material rather than slight, but not necessarily require a workplace accommodation. An impairment that is episodic or in remission is still a disability if it would substantially limit a major life activity when active. The determination of whether an impairment substantially limits a major life activity shall be made without considering temporary improvements made through mitigating measures such as medication, therapy, reasonable accommodation, prosthetics, technology, equipment, or adaptive devices (but not to include ordinary eyeglasses or contact lenses).

Gender Designation for Health Insurance Purposes (Used by doctors for billing): This data is used to meet current requirements for Medicare federal reporting and eligibility determinations, meet health plan vendor requirements, ensure coordination of benefits and efficient claims processing. Please choose the option in this field that you would like your medical provider(s) to use to determine insurance coverage and facilitate claims processing for your health care services.
