# Wenatchee Valley College KNIGHTS

**Bob Rust**  
Director of Athletics

There is nothing like community college athletic events. Local area student-athletes from many of the top high school programs throughout eastern Washington come together to play as one on the same team.

Here at Wenatchee Valley College, on the playing fields and courts, the athletes discover an entirely new level of intensity and physical play. As they join together to play as a team, they come to appreciate the skills and abilities of those against whom they were competing only a few short months ago.

It is our responsibility as athletic director, coaching and support staff, to provide these young people with the best possible opportunity to succeed not only in their chosen sports, but also in life.

Through WVC's membership in the Northwest Athletic Association of Community Colleges, our athletes get to experience excellent intercollegiate competition with schools throughout Washington and Oregon. Over the years, WVC athletic programs have often finished in the top ten overall in the conference.

All proceeds from this golf tournament go towards the cost of post-season tournament travel which often provides a great finishing touch to some exciting seasons.

Your support is greatly appreciated by all of us associated with the WVC athletic program.
