

THE BRUCE REPORT

"A PERIODIC PIECE OF RECORDS, HISTORY, NEWS, NOTES & STUFF"

September 28, 2011

A light week for Knight athletics...just one event per team.

VOLLEYBALL (1-4, 5-9)

Friday, Yakima Valley (2-2, 15-6) home.

This is a league match, but not the first time the Knights and Yaks have played this fall. YVC defeated WVC 2-1 in a tournament the 16th.

The two Central Washington schools first played in 2007 with the one furthest to the south winning the first two and then our local squad taking seven straight through last year. The series stands at 7-3 in the Knights favor.

The Yaks begin the week in fifth place in the East Division while the Knights are seventh.

WOMENS SOCCER (1-3-0, 2-5-0)

Saturday, Lane (1-3-1, 2-4-2) away.

The Knights will venture south of the border to Eugene to face the Titans for the sixth time since they first met in 2005. To date WVC has never beaten Lane, posting a 0-4-1 record including a 4-0 loss last fall.

Lane is third in the 5-team South Region, while Wenatchee Valley is last in the 6-team East.

This is a league match.

MENS SOCCER (0-3-1, 2-4-2)

Saturday, South Puget Sound (2-1-1, 4-4-1) away

Since 1996 WVC has faced South Puget Sound 10 times, the most recent a 3-1 Knight victory last autumn.

The Clippers have had their problems against the Knights as the local squad has an 8-1-1 record in the series.

In fact Wenatchee has won six straight and had five shutouts in succession until the one goal given up last year.

The team from Olympia is third in the 5-team South Region. Wenatchee is on the bottom in the 5-team East Region.

This is a league match.
