

2011 Season Wrap-up

If you saw the Knights play this past season, you know you watched a great team. Here are some facts and figures to further prove that point:

- The overall record was 40-7 for an 85.1 winning percentage. This is the best in school history.
- Had an 18 game winning streak on the road, also the best in school history.
- More wins than any other NWAACC school.
- Scored 360 runs while giving up only 84!
- Had 456 hits, surrendering only 227.
- Team batting average of .357.
- Team fielding percentage of .973.
- Our pitchers combined earned run average was 1.45, the best in the NWAACC!
- Seventeen of the 47 games played ended with the Knights mercy ruling their opponents.
- Champions of the Eastern Region for the sixth straight season!
- Third place finish at the NWAACC Championship Tournament, the highest finish since 2007.
- Nine players were named Eastern Region All-Stars, the most of any school.
- Seven players earned scholarships to four-year schools.
- The team grade point average was 3.21 for the entire school year.

2011 was an amazing season because of a group of fantastic players who worked tirelessly toward their goals. The tradition of “working smarter, playing harder and having no regrets” is alive and well in Knights fast pitch.
