I chose to come to Wenatchee Valley College because...I could see the love the girls had for the game and each other. They knew what they wanted and were working hard to get there. How could I not want to be a part of that? Plus, Coach Pflu has a killer sales pitch.

My hero is...my dad.

- If I could only eat one thing for the rest of my life it would be...toasted PB and J sandwiches.
- On game day I...listen to my music super loud as I get ready.
- When I grow up I want to be...an elementary school teacher.
- The most famous person I have ever seen or talked to is...lead singer of the Goo Goo Dolls.
- You might be surprised to know...I don't like odd numbers and I'm terrified of snakes.
- My favorite sports memory is...too many good ones to pick any single one.
- The song that best describes my life is..."Life's a Dance" by John Michael Montgomery.

Our season will be a success if...we realize what we can do and are capable of and then actually do it.
