The best thing about playing at Wenatchee Valley College is...the team chemistry. Playing here pushes you to be the very best person and player you can be.

My heroes are...my parents.

- If I could only eat one thing for the rest of my life it would be...Velveeta mac and cheese.
- On game day I...listen to my music really loud.
- When I grow up I want to be...a physician's assistant.
- The most famous person I have ever seen or talked to is...Sarah Palin at the Turkey Trot.
- You might be surprised to know...I live in a haunted house with two of my teammates and a WVC women's basketball player.
- My favorite sports memory is...the last kick-ball game of the season last year at NWAACC when the freshmen finally beat the sophomores.
- The song that best describes my life is..."What If" by the Plain White Tees.

Our season will be a success if...we play OUR game every game and finish the season with no regrets!

"LIFE IS A GARDEN...DIG IT."
