

Welcome to Wenatchee Valley College

Message from the President

Welcome to Wenatchee Valley College. We are pleased to assist you on your educational path and encourage you to explore your many educational and cultural opportunities at WVC.

We continue to offer a comprehensive class schedule even through these difficult economic times. Students remain the heart of our institution, and we are here to help you reach your goals—whether it is to earn your first two years of a baccalaureate degree and transfer to a four-year college or university, train for a new career, or learn new skills to advance in your current work.

Our large district is strengthened by its diversity—from rich cultural heritages to varied geography to creative ideas and interests. Activities both inside and outside the classroom at our Wenatchee and Omak campuses will expand your world.

The stories from our alumni remind us of the value of our small classes, dedicated faculty and staff, and outstanding student services and activities. They tell us how our instructional programs provided an essential step in fulfilling their dreams. WVC alumni shine in our communities.

We enjoy celebrating the successes of our students and alumni, and we continually rededicate ourselves to our vision of educating people, enriching communities and transforming lives. Best wishes on your adventures with us.

About Wenatchee Valley College

Wenatchee Valley College is one of the oldest of 34 community and technical colleges in Washington state. It opened as a private institution in 1939 and was made part of the state's public education system two years later. In 1967, Community College District 15 was formed, expanding WVC's service area to include Chelan, Douglas and Okanogan counties. Wenatchee Valley College at Omak was established in the early 1970s to better serve the educational needs of the people of Okanogan County.

Wenatchee Valley College offers courses and programs to meet a variety of student needs. Whether you plan to transfer to a bachelor's degree-granting institution, seek education that leads directly to employment, need to develop basic academic skills, or want opportunities to enhance knowledge and skills through professional or personal development, the college has programs to assist you in reaching your goals.

Wenatchee Valley College offerings follow a quarterly schedule with day, evening, weekend and distance learning classes.
