

**VETERANS and DEPENDENTS OF Veterans
COMPLETE AND SUBMIT TO WVC VETERANS OFFICE**

Notice of Prior College or Training for Veterans Educational Benefits

The purpose of this disclosure statement is to assist Student Financial Services in the process of initiating your veteran benefits. The VA requires that **all academic transcripts from prior colleges or training** be evaluated. We encourage you to also include courses you may have taken through the military while on Active Duty. Our office can provide you with military transcript request forms upon request.

Please indicate below your attendance at any prior colleges or training institutions. It is your responsibility to make sure that all academic and military transcripts have been received by the WVC Admissions and Registration office. Once they have been received, your file will be ready for review by a transcript evaluator.

_____ I did not attend any colleges and/or training institutions prior to enrolling at WVC.
