

Dear Wenatchee Valley College Military Veteran,

We would like to take this opportunity to introduce you to a student veteran organization formed at Wenatchee Valley College called S.T.A.V.E.

S.T.A.V.E. – stands for Students for Transitional Assistance and Veteran's education. S.T.A.V.E. is a program designed by student veterans to assist other student veterans at the college. The sad fact is many returning vets fail to complete their education for various reasons unique to their situation. YOU can help be a part of changing this! Our aim is to assist veterans with their transition to the college world through various means, and to give their unique needs a voice at our college. We are attempting to accomplish this through veteran to veteran student tutoring, advocacy for special programs, a place to study and come together in the form of our own veteran house on campus, and provide a liaison between our veteran students and the community.

It is our goal to set a model organization that other colleges may choose to follow, to involve our community leaders and give them insight into our world, and to help you succeed in your college endeavor.

Joining us is simple but we need to know you're out there! There are no dues, no mandatory meetings, just opportunities to aid yourself and our cause. Please show your support in helping us make these changes. Want to play a more prevalent role? **S.T.A.V.E. meets at the WVC Veteran House #1 at 1337 5th Street.** Meeting times change each quarter so please contact one of the Group Advisors or STAVE President below.
