- > Official copies of AP test scores need to be submitted to the Admissions and Registration department for evaluation.
- > A maximum of 10 AP credits can be applied to a distribution area on the Direct Transfer degree (DTA). There is a maximum of five credits that can be awarded in world languages.
- > No more than 5 AP credits can be used to meet the writing skills requirement for a degree. AP credit will not be used for the writing requirement for advanced English composition
- > A student must complete 15 credits at WVC before any AP credit is awarded. AP credits will be the last entry in the student's transcript.
- > AP credit is not graded and will not effect GPA, and will not apply to WVC residency requirements.
- > Depending on the amount of other non-traditional credit earned, a maximum of 15 AP credits can be used toward a WVC degree.
