

## Admission Essay for the Radiologic Technology Program at Wenatchee Valley College

Choose one of the following topics to write your essay:

- A) Why Radiology is the career field you have chosen to pursue.
- B) Personal Statement discussing what unique attributes you will bring to the WVC radiologic technology program.

It is recommended that the applicant add or include Radiology Observation highlights and/or any direct patient care work that would influence their decision to choose the field of Radiologic Technology in their essay.

This essay should contain the following criteria and will be awarded points for a complete demonstration of stated criteria.

1. Minimum of One full page with 1" margin top, bottom, and sides, not to exceed two pages in length.
2. APA style with citations from references to outside sources.
3. Reference to radiologic technology field with demonstration of research of the field and/or topic.
4. Personal statement of interest in imaging regardless of topic picked.
5. Paragraphs as appropriate, opening statement, body, and conclusion.
6. Name and title of paper in header.
