General Information

Saturday, October 7, 2017, the Wenatchee Valley College Alumni Association will be hosting the third annual Knight Fright Ride & Run! This bike ride and run/walk fundraiser for the Knights Care Fund will be a costume-themed event with a 10 mile bike route and a 5K walk/run. This year, we even have an option for those who are too lazy to ride!

Remember that when you sponsor the Knight Fright Ride & Run you are not only supporting a great event and getting your name out in the community, but you are also supporting WVC students in crisis through the Knights Care Fund – a benevolent fund held at the College Foundation and managed by WVC Counseling Services. We greatly appreciate your dedication to our students and higher education.
