COVID-19 Supplemental Information

The COVID-19 Housing Contract Supplement is an addendum to the WVC Residence Hall Housing Contract between the applicant named on the Housing Application, WVC, and the Residence Life Office. It is an addition to, and not a replacement of, the base housing contract.

- The COVID-19 Housing Contract Supplement is required of all persons wishing to be considered for residency in the WVC Residence Hall.
- Applicants who are unable or unwilling to agree to the COVID-19 Housing Contract Supplement are ineligible for housing in the WVC Residence Hall.
- All housing contracts received without the supplement contract initialed and signed by the applicant, will be deemed invalid, and will be cancelled.

Applicant Commitment:

Even as the number of vaccinated persons increases, the applicant understands and recognizes that living in a shared-living environment such as the Residence Hall, during the COVID-19 pandemic carries an extra obligation to protect and support not only themselves, but the community.

Furthermore, applicants understand that even with vaccination, housing in a community-living environment is considered high-risk. Residents with pre-existing conditions that may place them at a higher risk of contracting COVID-19, should consider whether the Residence Hall is the best fit for them that this time.

As such, the applicant agrees that should their application for housing be accepted, they will:

- Not engage in any behavior which may increase the risk of exposure, whether on or off campus, to include following all state and local guidelines.
- Immediately report any suspected exposure, or confirmed contraction of COVID-19, to the Residence Life Manager or Associate Dean of Campus Life, Equity, and Inclusion.
- Immediately remove themselves from the Residence Hall if they are confirmed to have COVID 19 and understand that they must have another location to self-isolate during the duration of the time they are contagious.
- Practice good hygiene regarding hand-washing, and utilize provided hand sanitizer
- Adhere to this community commitment, with the understanding that WVC maintains the right to remove any persons from WVC Housing if their behavior is deemed flagrant, or willfully in violation of this agreement, which may also constitute a violation of the Student Code of Conduct and can carry additional sanctions.
