You indicated an extremely low parental income on your 2022-2023 FAFSA and we need to verify how your parents were able to live on such a low income. To confirm your eligibility for financial aid, please have your parent(s) READ BOTH SIDES of this form and then complete the applicable sections.

**Section A:** (Parent only: please check all that apply to you, your income and expenses)

- In 2021, one or both parent(s) was a college student and received Financial Aid (loans, grants, work study, and/or scholarships) which was used to pay for living expenses. Name of parent(s) attending . College parent is attending: college
- In 2021, I (the parent) received one or more of the following to pay for living expenses (rent, utilities, food, transportation, etc.) for myself and my dependents:

Food Stamps	DSHS/Welfare	Social Security	Subsidized Housing
Disability	🗌 L&I	Hospitalized*, had no income or expenses	
☐ Incarcerated*, had no income or expenses		*If hospitalized or incarcera	ited, dates:

If you (the parent) received any of the above funding sources OTHER THAN FOOD STAMPS to pay for living expenses, please complete Section A only, sign this form and return it to the financial aid office. Otherwise, complete Section B of this form (including worksheets on page 2), sign and return it to the financial aid office.

## Section B:

If you (the parent) did not receive any of the funding sources in Section A, OTHER THAN FOOD STAMPS, to pay for living expenses, please complete all of Section B, including both worksheets on page 2. You may add an additional statement if you wish to explain unusual circumstances. If you have any questions, please contact the financial aid office for assistance. We assume that every person must have some basic living expenses and income to cover those expenses. If someone is paying your bills, this amount would be placed under "expenses paid by others" in the income grid. \*\*NOTE: If \$0 income and expense is reported and no explanation as to why, you will automatically be assigned a standard amount for both income and expenses, which may be higher than your actual income/expenses.

**REQUIRED:** Complete the Expense worksheet detailing your ACTUAL 2021 household expenses (ACTUAL EXPENSES/BILLS PAID BY YOU OR SOMEONE ELSE -- NOT what you think you need in the coming year, but what was actually paid in 2021). Do not include debt that you did not actually pay. For this form, your Expenses paid should not total more than your income, as you cannot pay for something if you do not have the resources to do so.

**REQUIRED:** Complete the Resource worksheet detailing resources used to meet these living expenses. Tell us how and who paid for the expenses that you detailed on the Expense worksheet. You may add an additional statement to explain unusual circumstances.
