ELIGIBILITY: In order to be eligible for summer financial aid you must be earning a degree or qualified certificate from Wenatchee Valley College. Grants – Financial aid grants for summer are limited to the following:

PELL GRANT: Pell Grant funding is available in the summer, for eligible students, subject to remaining annual and lifetime limits. Pell Grant can now be fully funded year round, up to 150% of the annual amount for eligible students. This allows for Pell funding in the summer for most students, even if you went full-time prior quarters. ***PLEASE NOTE: You must be enrolled in at least 6 credits to receive any amount beyond 100% of your annual base award amount.*** If you attended other schools in the current year, it may have an impact on your annual/lifetime award. If you have already reached your annual (150%) or lifetime limit, you will not be eligible for Summer Pell Grant.

WASHINGTON COLLEGE GRANT (WCG): Washington College Grant funding is available in the summer, for eligible students, subject to remaining annual and lifetime limits.

COLLEGE BOUND SCHOLARSHIP (CBS): College Bound Scholarship funding is available in the summer, for eligible students, subject to remaining annual and lifetime limits

WVC GRANT: Summer WVC Grant aid will be available on a limited basis. Awarding of WVC Grant will be subject to eligibility and/or funding limitations.

Loans – The Federal Direct Student Loan Programs, subsidized and unsubsidized, are available. In addition to the WVC 2023-2024 Federal Direct Student Loan Worksheet, you must have a ***2023-2024*** FAFSA on file in our office, with the file review process complete. **Please note: if you are first-year student and a first-time loan borrower, there is a required 30 day delay of your loan disbursement. Funds cannot be disbursed until the 30th calendar day of the quarter.**

**Lifetime, Annual and quarterly maximums apply.*

When will Summer Financial Aid be available?

Disbursements are made during the first week of the quarter, if there are any remaining funds after your tuition & fees have been paid and you have no outstanding debts to WVC, including parking tickets, library fines & other charges.

Disbursement of your remaining financial aid funds (after your tuition & fees have been paid) will be made through BankMobile. Please make sure you have chosen your refund preference. Visit the WVC financial aid website for additional BankMobile information.

Payment of tuition and fees:

Scenario A – If your summer financial aid (including loans) has been processed prior to the tuition due date and your financial aid will cover the full cost of your tuition, the financial aid funds will be applied to your account and any remaining funds will be disbursed through BankMobile, according to your refund selection preference.

Scenario B – If your summer financial aid (including loans) has been processed prior to the tuition due date and your financial aid will cover only part of your tuition, then you must pay the balance on or before the first day of class. If you do not pay the balance, you might be removed from your classes, or be sent to collections for payment.

Scenario C – **If you have applied for financial aid (including loans) but have not been granted funding, you must pay your tuition by the tuition due date or if registering after the tuition due date, you must pay within 24 hours of registration.** You can apply for a payment plan with the cashier office. Once financial aid has been processed, and if you are eligible for financial aid, the funds will be disbursed as follows: 1) applied to any tuition & fees balance still owing on your WVC account and 2) remaining funds will be disbursed to you through BankMobile, according to your refund selection preference.
