The scholarship awarded to you during 2019-2020 is renewable for the upcoming 2020-2021 school year. You are required to be attending WVC **fulltime** (at least 12 credits) and maintain a **GPA of at least 2.0** in order to receive the scholarship.

We will verify that scholarship funds are available, that you have met all the original scholarship criteria, and that you have met the Satisfactory Academic Progress as defined by the Financial Aid Office. By submitting your renewal form, we will verify that you are eligible for your renewable scholarship. Scholarship award notifications will be sent to WVC student email accounts by July of the following year. The award notifications will provide further directions including information for submitting required thank you letters.

Students are encouraged to apply for financial aid as this is criteria for some scholarships. Please follow-up with the financial aid office if you have any questions. *Apply for 2020–2021 financial aid (FAFSA) by submitting the application online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).*
