Our Vision

Wenatchee Valley College: Proudly educating people, enriching communities...transforming lives.

Our Mission

Wenatchee Valley College, the public comprehensive community college in North Central Washington, serves the educational and cultural needs of its communities and the residents throughout its service area. The college provides high-quality transfer, liberal arts, technical/professional, basic skills and continuing education to students of diverse ethnic and economic backgrounds. We seek opportunities to work with our communities to meet their changing needs.

Policies

Wenatchee Valley College is committed to a policy of equal opportunity in employment and student enrollment. All programs are free from discrimination on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam-era veteran, in accordance with state and federal laws.

Questions regarding services for students with disabilities should be directed to the special populations coordinator.

Copies of the Wenatchee Valley College affirmative action, discrimination and harassment policies and the procedure for resolution of discrimination or harassment complaints may be obtained from the human resources office in Wenatchee or the administration office in Omak.

Campus safety statistics may be accessed in the student handbook located on the WVC Web site at www.wvc.edu/studentresources.

In accordance with federal regulations, information regarding AIDS and the transmission of HIV may be found in Van Tassell Center on the Wenatchee campus and in the administration office in Omak.

Kevin Berg started work in mid-June as the director of financial aid, coming to WVC from the University of Washington where he served as assistant director of financial aid.

The WVC Financial Aid office is located in Wing I of Wells hall. Information about financial aid grants and scholarships may also be found on our Web site located at www.wvc.edu.

**Student Financial Aid**

The financial aid office offers grants, loans, scholarships and work-study employment to assist eligible students. For information and applications, contact the financial aid office at 682-6810 or visit the college Web site at www.wvc.edu.

To apply for aid, students must complete the Free Application for Federal Student Aid (FAFSA) which is available from the financial aid office, or electronically at www.fafsa.ed.gov. When students complete the FAFSA, they should enter the federal school code 003801 and indicate WVC as the school to receive the information.

A minimum of six to eight weeks should be allowed for processing applications. In some cases additional information may be required that could add to the processing time. For this reason, students should be prepared to pay for their own tuition and books when the quarter begins. If a student receives financial aid, he/she must maintain satisfactory academic progress in the course of study.

**Are you a veteran?**

**Veterans Programs**

The financial aid/veterans office serves as a liaison between WVC and the U.S. Department of Veterans Affairs.

Selected academic programs of study at WVC are approved by the Higher Education Coordinating Board’s State Approving Agency (HECB/SAA) for enrollment of those eligible to receive benefits under Title 38 and Title 10, U.S. Code. Degree and certificate programs are approved for benefits under the following Veterans Administration regulations: Chapter 31 (Vocational Rehabilitation), 30 (Montgomery Bill), 32 (VEAP), 35 (Survivors and Dependents Educational Assistance) and 106 (Reserves) of Title 38, U.S. Code.

Students who plan to use their veteran’s benefits should contact the financial aid office. Veterans who have not previously used their benefits must complete Form 22-1990 and furnish a certified copy of their DD Form 214 member 4.

For more information about veterans programs, contact the WVC Financial Aid office at 682-6810.

Westside Early Learning Center and Child Care Program

Wenatchee Valley College and the Wenatchee School District are pleased to offer quality, licensed child care and early learning experiences for children ages 1 month - 5 years.

Child care is available from 7:30 a.m. - 4:30 p.m. with rates starting at $2.50 per hour.

WVC students may take advantage of this opportunity by contacting Keesha Knutson at 421-6656 or Eva Freimuth at 682-6633 for more information. Priority is given to Westside High School and WVC students.

This program is supported by the CCAMPIS (Child Care Access Means Parents In School) federal grant.

ASSET

ASSET is an important part of student success. The WVC assessment instrument is ASSET, a nationwide program developed specifically for community college students. Assessment is required for students seeking a college degree or certificate or for a student taking math or English in college for the first time. ASSET measures reading, math and language-usage skills, and helps advisers place students in college courses at the appropriate level.

The fee for ASSET is $11.15. For more information contact the testing office at 682-6840.

Students will meet with an educational planner immediately following the ASSET for advising/registration.

Thursday Aug. 21 8:30 a.m.
Thursday Aug. 21 12 p.m.
Saturday Aug. 23 8:30 a.m.
Tuesday Aug. 26 3 p.m.
Thursday Aug. 28 4 p.m.

For more information about ASSET, as well as sample questions, please refer to the following Web site: http://www.act.org/asset/. Or contact the student access center at (509) 682-6840.

PROHIBITED CALCULATOR LIST

The following calculators are not allowed at the ASSET:

- Casio: CFX-9970G, CFX-9970GE, Algebra fx 2.0
- Texas Instruments: TI-89, TI-92, TI-92 plus
- Hewlett Packard: HP-40G and HP-49G
- Pocket organizers

- Electronic writing pads or pen-input devices
- Calculators built into cellular phones or other wireless communication devices
- Calculators with a typewriter (QWERTY) keypad
Wenatchee Valley College Lecture Series

Fall 2003

All lectures begin at 7 p.m in Van Tassell Center. They are free and open to the public.

**Broken Limbs**
*Apples, Agriculture and the new American Farmer*

**Monday, October 6**

**Public Debut!**
For the past two years, local filmmakers Guy Evans and Jamie Howell have been investigating the changes occurring in our region’s apple industry. Their documentary film, Broken Limbs, examines the challenges facing today’s growers and presents several visions of the future for agriculture and the family farm. Broken Limbs is an engaging, emotional and ultimately inspirational account of the apple orchardists and orchards that represent a vital part of our communities. The film will be followed by a question-and-answer session with the filmmakers.

**Street Drugs 101:**
*What your kids already know*

**Monday, November 3**

Parents who are informed are better prepared to cope with the pressures and influences their children face when it comes to drugs and alcohol. William Michael Johnson has provided drug and alcohol treatment and education for more than 25 years. Michael will discuss the availability and variety of drugs in the Wenatchee area, as well as national trends and teen drug use. A particular emphasis will be on street, designer and over-the-counter drugs. Signs and symptoms of drug uses, as well as intervention strategies, will be discussed.

**Shakespeare Out Loud**
*Unlocking the Meaning of Shakespeare*

**Monday, December 1**

In this lecture/laboratory based on his book, Clues to Acting Shakespeare, Wesley Van Tassel shares four basic skills that remove the difficulty from reading or hearing Shakespeare and allow the general public to find clarity in the work of the greatest of all writers of the English language. Selected lines from various plays will be used to demonstrate reading skills. By understanding some simple clues, the audience will learn how to read and listen to Shakespeare. Once reading Shakespeare is mastered, understanding follows naturally. Open discussion following the presentation will allow audience members to ask more specific questions.

Recycled Percussion

**Wednesday, November 19**

**7 p.m.**
**Bank of America Performing Arts Center**

A high-energy performance with four extraordinary percussionists who make melody out of chaos (garbage cans, etc.).

They have taken their foot-stomping rhythms to people all across the country. Performing on many TV programs such as Crook & Chase and Talk Soup, and on HBO. They have also been in more than 20 newspapers around the U.S. and have been featured on the cover of USA Today, as well as Concord Monitor and the Chicago Tribune.

Their ultimate goal is to bring their positive messages to people of all ages.

Tickets are available at the WVC Business Office or at the Performing Arts Center. General admission $10, WVC students with ID cards $5, children under 5 free.

Presented by the
Associated Students of Wenatchee Valley College
Think Inside the Box.

Wenatchee Valley College offers technical/professional programs in computer technology, industrial electronics, environmental systems and refrigeration technology, and automotive technology, among others. For more information on these and other technical/professional programs, visit the WVC Web site at www.wvc.edu. Sometimes your favorite hobby can be a great career.

The new studio art classrooms are now open! Watch for our open house this fall!

Teacher and artist Scott Bailey returns to North Central Washington as WVC’s new art faculty member this fall, coming most recently from the American University in Cairo, Egypt. He grew up in Grand Coulee and then studied at Gonzaga University and Colorado State University, where he earned a master’s of fine arts. He uses traditional and contemporary approaches in teaching painting, drawing, contemporary/new media art and art history. His own paintings have been featured in exhibitions in Egypt, Japan and the United States.

Bailey joins adjunct instructors Bruce Bishop and Vicki DeRooy in the college’s new art facilities in Wells Hall, a 3,600-square-foot addition for ceramics, drawing and painting classes. Bailey will teach drawing and painting.

“It is important to my students that I’m a professional, practicing artist as well as a teacher.”

**Welcome Back! Derek Sheffield**

Wenatchee Valley College welcomes the return of Derek Sheffield to its English faculty. He previously taught here from 1999-2001 on a temporary assignment, and most recently was an English teacher at Gig Harbor High School. He is an award-winning poet with numerous publications in books, magazines, journals and newspapers, and has served as faculty adviser for college and high school student literary journals.

Sheffield has a bachelor’s degree in creative writing and a master’s in fine arts in poetry from the University of Washington, and a master’s in teaching from Seattle University.
Distance Learning Classes

NEED FLEXIBILITY?

Are you motivated? Disciplined?

Maybe distance-learning classes are right for you!

What do you need to succeed?

• Ability to learn on your own, seek answers and follow a study guide
• A high level of self-motivation and the self-discipline to focus, set your own goals and complete assignments on time—you must be your own nag!
• Good reading, writing and research skills (ENGL 101 skills recommended)
• Telecourses—Access to a TV/VCR (Some telecourses also use the Internet)
• Online courses—Access at least 5 out of 7 days to a home or work computer with a connection to the Internet. (Almost daily participation in e-mail discussion required. Don’t register until you have a computer with access to the Internet!)
• Above-average experience with computers and keyboarding, e-mail, basic functions of Microsoft Word, using Web browsers for research

Do you qualify? Before you register, discuss any concerns with your faculty adviser or the distance learning staff. If necessary, register for other courses that will prepare you to take distance learning classes at a later date.

Distance learning classes provide the same course content, appear on your transcript, transfer and apply toward your degree just as regular on-campus courses.

ONLINE COURSES

Wenatchee Valley College offers an AA transfer degree through the WashingtonOnline (WAOL) Virtual Campus. A cooperative venture of the Washington state community colleges, WAOL instructors may be located at any college. You will also find students from all over the state are enrolled in your courses.

TELE COURSES

Telecourses combine video lessons with independent work in textbooks and study guides. Some telecourses require a limited number of on-campus meetings. Pay close attention to the dates and times listed with each course. Some telecourses called TeleWeb courses use the Internet to deliver a portion of the course materials and for classroom discussion.

“I love these classes. They have been a real lifesaver for me. They fit perfectly into my busy schedule. I like it that you can go online any time and work on something.”  

~Callie Elmes, student

Distance Learning Registration
New students register by mail or in person. You may also fax your mail-in registration with credit card payment information. Fax to (509) 682-6711.

Fees (in addition to normal tuition and fees)
Telecourses — $32.85 license/tape rental
Online — $8 per credit

Oregon Shakespeare Festival School Visit Program!

Monday, Oct. 20, 12 p.m.
Van Tassell Center

Created by Oregon Shakespeare Festival founder Angus Bower, the purpose of the School Visit Program is to excite young people about live theater, the works of William Shakespeare and the Oregon Shakespeare Festival. Students will see and hear the works of Shakespeare and other great writers presented in ways that relate to their own experiences and engage their imaginations. This presentation is free and open to the public. Sponsored by the Associated Students of WVC.
HOW TO SIGN UP:

TO REGISTER BY PHONE, call (509) 682-6690 and use your Visa or MasterCard. Please have your credit card number and expiration date ready.

TO REGISTER BY MAIL, complete the form on the next page and mail it to Registration, Wenatchee Valley College, 1300 Fifth Street, Wenatchee, WA 98801. Be sure to include a check or credit card information.

TO REGISTER BY FAX, dial (509) 682-6601 and fax the registration form on the next page. Please be sure to fill out the form in its entirety.

TO REGISTER IN PERSON, visit the registration office in Wells Hall on campus between 7:30 a.m. and 5 p.m. Monday through Friday.

TO REGISTER ONLINE, visit our secure Web site – http://www.wvc.edu/conted. Click on “Continuing Ed Class List and Registration Forms” to view all of our classes and register online with a credit card.

Since all noncredit classes are filled on a first-come, first-serve basis, it’s best to register as soon as possible. Also, classes will be canceled if enrollment is low, so it is advisable to register at least 48 hours before the start of the first class session. If a class is canceled, every attempt will be made to call and notify students who are officially enrolled before the class is scheduled to begin. Please make sure you provide us with a daytime phone number where we can reach you in the event of a room change or cancellation.

Books
In most cases the required text for computer classes is included in the tuition fee. Computer books are distributed in classes. Other classes may require books in addition to the fee. Contact the continuing education department at 682-6690 if you have questions.

Refunds
All noncredit classes are scheduled on a self-support basis and are not financed by state tax funds. When classes must be canceled because of low enrollment or some other circumstance, every effort will be made to contact you prior to the start of the class and a refund check will automatically be processed. Should you withdraw from class after it begins, your fees are not refundable.

Financial Aid Alert

Complete withdrawal from WVC will result in loss of financial aid eligibility even if you are not receiving financial aid the quarter you withdraw.

WHO MAY USE WEB ONLINE REGISTRATION?

All students at Wenatchee Valley College, with a current application on file, may register using this system.

You will need to register in person if you
• are a student enrolled in high school, or taking GED, ESL, ABE classes.
• are registering on a space-available tuition waiver.
• have library fines, parking tickets or other unpaid debts to the college.

REGISTRATION INFORMATION

Access to the registration systems and to your personal records is controlled by two personal identification numbers (PINs).

GLOBAL PIN

Your Global PIN allows you to find out your registration appointment, financial aid information and grades. The number is based on your birth date (example: May 9, 1959 = 050959). We urge you to change your Global PIN to another four- to six-digit number so the information available will be more secure. To change your Global PIN, use Student Kiosk.

QUARTERLY PIN

Your Quarterly PIN allows you to register for new classes and make changes to your schedule, such as dropping a class or changing from credit to audit status. Your Quarterly PIN is assigned to you by your adviser and will be a different number each quarter.

SYSTEM LIMITATIONS

You may not use the Web Online registration system when specific conditions require you to obtain an instructor’s signature. You will need to register in person when
• the class credit load exceeds 18 credits.
• a class requires an instructor’s signature.
• your registration is blocked because you have not completed the English or math prerequisite.
• you have unpaid debts to the college.

PAYMENT INFORMATION

Students unable to pay their tuition by the payment due date will be administratively withdrawn. SEA, Persian Gulf or active-duty military students will need to provide documentation at the registration office to receive the reduced-tuition rate.

Register for credit classes in 4 easy steps

1. See your adviser early.
New/former students: you will be meeting with an educational planner for your first quarter. Contact the student development office to schedule an appointment. A faculty adviser will be assigned for following quarters.

Continuing students: to find out your registration time, use the Student Kiosks (located in the student development office and in the Van Tassell lounge), use the Web online, or see bulletin boards across campus. You may register at your appointment time or any time thereafter.

Other questions? Visit the student development office in Wing 1 of Wells Hall.

Ask your adviser for a Quarterly PIN to use the Web Online system.

2. Register for classes
New/former students: after you meet with an educational planner, you may register for classes.
• Web Online registration for credit classes (including WashingtonOnline classes).

go to www.wvc.edu. Click on Student Kiosk.

3. Pay your tuition and fees.
Payment for fall classes is due Aug. 15, 2003. Students who fail to pay by Aug. 15 will be administratively withdrawn. Students registering after that date must pay within two business days. Failure to pay will result in cancellation of your registration.

4. Verify your schedule.
Use the Web Online system to verify your schedule. Be sure there are no time and room changes or class cancellations. Make changes to your schedule, if necessary.

### Fees

- **Registration Fee** (Wenatchee campus only): $2 per quarter
- **Comprehensive Fee** (Omak campus only): $1 per credit, $10 maximum per quarter
- **Technology Fee**: $3 per credit, $30 maximum per quarter
- **Additional Fees**: Some classes assess special fees to cover lab or material costs. Special fees are listed with the class. Complete fee schedules are available before registration.
- **Parking** (Wenatchee campus): Day permits are $20 per quarter or 50 cents per day. Evening-only permits are $10 per quarter. Senior citizen (60 years and older) parking permits are $5 per quarter.
- **Books**: Book costs vary, but average $80 per class or approximately $300 per quarter for a full-time student. Some professional/technical programs may be higher.

### State Support

During 2002-2003, the net state support per FTE (full-time-equivalent) student at Wenatchee Valley College was $4,061.

### Adding/Dropping Classes

You may add a class without the instructor's permission during the first five days of the quarter. You may add a class from the 6th to the 10th day of the quarter provided you get the instructor's signature. You may drop a class up to the 10th day of the quarter and not have it appear on your transcript. Courses dropped after the 10th day will be recorded with a “W” on your transcript. You may drop a class until the end of the 30th day of instruction. Complete withdrawal from WVC will result in loss of financial aid eligibility even if you are not receiving financial aid the quarter you withdraw.

### Refunds

#### Tuition and Fees
- 100-percent refund if withdrawing on or before the fifth instructional day of the academic quarter.
- 50-percent refund if withdrawing on or after the sixth business day and on or before the 20th business day of the quarter.
- 100-percent refund if classes or programs are canceled by WVC.
- No refund after the 20th business day of the quarter.
- Refunds for classes with irregular instructional starting days or concentrated scheduling will be based on the published starting date.
- See WVC catalog for complete refund policy.

#### Self-Support Fees

Fees for continuing education self-support classes usually are not refundable once classes begin. Exceptions may be made by contacting the continuing education office, 682-6690.

#### Insurance Fees

100-percent refund through the 20th calendar day of the quarter.

No refund after the 20th calendar day of the quarter.

No refund if an insurance claim has been filed.

#### Financial Aid Refunds

If a student is receiving financial aid and withdraws from all of his/her classes, any tuition refund will be returned to the financial aid program as describe by the Department of Education requirements. Depending on how many days a student attended, he/she may also be required to repay a portion of the financial aid received in the form of a check. Students will not be eligible for future financial aid until all repayments are paid. In addition, a hold will be placed on your academic transcripts until all payment obligations to the financial aid programs and to the college are satisfied.

Register AND pay your tuition online!

Log onto the WVC Web site at www.wvc.edu and click on either “register online” or “student kiosk.” A second menu will give you the option to make a credit card payment. Follow the instructions to submit your tuition online.

We encourage our Omak campus students to park in our lot on Ash and Apple Avenue (next to the Fire Hall) within a block of campus or in our campus lot. This will help leave street parking spaces for our neighbors.
Debbie Herron of Cashmere is just one of the dedicated students working on their nursing degrees at WVC. To help with her expenses during her second year of studies, Debbie has been awarded the Jean M. Wood Endowed Nursing Scholarship from the Central Washington Hospital Foundation and an A.Z. Wells Foundation Scholarship.

Debbie returned to school after nearly 18 years, starting with pre-college classes. Just before starting her nursing classes, she finished her last treatment for cancer, and is now in remission. Next spring, she will graduate with her associate degree in nursing, her son Justin will graduate from the WVC Automotive Technology Program, and her son, Brandon, will graduate from Cashmere High School.

Although the program is tough, Debbie said, her “entire experience” at WVC has been great and she appreciates the opportunity to become a nurse.

“It’s been awesome,” she said. All the instructors have been very supportive. They set you up for success.”
