3) OLD BUSINESS

- A. **FY 2021-22 Unrestricted Budget**- conversation began this summer to adjust the budget for the vacant position. Agreement reached to change position from part-time communication coordinator to full-time foundation coordinator and cover the cost difference. New unrestricted budget proposal showing increase of \$14k covered by foundation. Offset to that cost from revenue from events and business sponsorships to be determined.

Motion to approve the unrestricted budget as amended by Ron Lodge. Seconded by Bárbara Guzmán. Approved without dissent.

4) NEW BUSINESS

- A. **Fiscal Procedures Manual** – Unrestricted Funds would be new section in the manual. Discussion regarding establishment of the WVC Foundation Endowment.

Motion to add unrestricted fund section by Ron Lodge. Seconded by Bianca Ebreo. Approved without dissent.

- B. **WVC Foundation Endowment FY 2021-22 Allocation-** Request for approval of \$30,130 allocation from endowment to the general support fund for this fiscal year. Discussion to clarify that this request is for this fiscal year only. In future years the endowment allocation will follow the spending policy. Discussion regarding how to present the foundation allocation on the financial reports, proposal to create a specific line item for this allocation so it is reflected on the income statement and not just on the project activity report.

Motion to approve allocation by Don Gurnard. Seconded by Lyle Markhart. Approved without dissent.

- C. **Financial Reports for Full Board-** Discussion regarding how to present financial reports to the full board versus what is presented to the committee. Consideration of the frequency of some of the reports- monthly vs. quarterly, inclusion of data visuals, quarterly expense report for the full board. Proposal to include overviews of each report to the full board, with direction to the board portal for detailed reports. All members in agreement to do a trial run of that change at the next full board meeting.

5) **OTHER BUSINESS**

- A. Report to the Full Board- Next board meeting will be presented with new format of financial reports, with referral to board portal for more detailed information.
