

General Maintenance/Laborer

Wenatchee Valley College is looking for two part-time laborers that will be working up to 40 hours per week doing general maintenance. We are seeking hard working, motivated, and energetic individuals to work in our facilities department on various tasks related to the preparation of the upcoming capital project "Replacement of the Wells Hall." This includes assisting with roofing projects prepping and applying roofing coatings, prepping spaces for offices and classrooms, moving furniture, cleaning, minor patch work and painting.

The position requires constant standing, bending, stooping, walking and the ability to lift and handle material with weight up to 75 pounds.

Typical Work Schedule:

- 8:00 am to 4:30 pm Monday thru Friday

Requirements:

- Must be able to lift 50 to 75 lbs. frequently
- Ability to operate hand tools
- Must be at least 18 years of age
- Maintain a clean and orderly work area

Application procedure:

Please send a cover letter and resume to:
