Part-Time Nursing Simulation Faculty
Salary: To be determined with AHE contract
Department: Allied Health and Nursing

JOB SUMMARY:
Wenatchee Valley College (WVC) is seeking applicants for a part-time, non-tenure nursing simulation faculty position for the Omak campus for winter and spring quarters, 2020. The simulation faculty will be responsible for coordinating, planning, and implementing simulation activities in the simulation lab environment in Omak. These activities will be in alignment with the WVC nursing program curricula. Additional duties may include didactic instruction in the classroom or online learning environment in any of the nursing programs. WVC seeks to recruit faculty who enthusiastically support the college’s strong commitment to the academic success of all of our students including students of color, students with disabilities, student who are first generation to college, veterans, students with diverse socio-economic backgrounds, and students of diverse sexual orientation and gender expressions.

ESSENTIAL FUNCTIONS:
• Ability to start as soon as possible.
• Ability to envision opportunities to enhance the laboratory and simulation teaching environments.
• Coordinate academic activities to facilitate the success of all students in simulated clinical experiences.
• Collaboration with nursing faculty and staff.
• Planning and coordinating simulation activities.
• Collaboration with the director of technology.
• Investigate and propose upgrades to learning technology resources.
• Maintenance of simulation equipment in collaboration with lab staff.
• Interface effectively with college faculty, staff, administration, and students.
• Remain current in INACSL Standards of Best Practices: Simulation.
• Provide structure for simulations (i.e., simulation guidelines, debriefing, educational resources for simulation, simulation preparation work for students and faculty, direction to simulation materials on Canvas, simulation charting, etc.).
• Continuous monitoring and evaluation of simulation equipment and learning strategies.
• Integrate evidence-based learning/teaching strategies and simulation use in the Simulation/Skills lab.
• Participate in scheduled faculty and technology meetings.
• Collect, analyze, and evaluate simulation data and disseminate relevant information to nursing program faculty and staff.
• Collaborates with the Nursing Administrator regarding budget needs and annual reports to the nursing commission.
• Work with nursing faculty, other allied-health departments, college divisions, and external (community) partners to track trends and current practice.
• Create scenarios, classes and simulation training activities.
• Support, create, and maintain simulation-related usage schedules for all campus locations and buildings in collaboration with faculty and staff.
• Support tracking of student information including student hours, number of sessions, and notes on simulation-related activities. Facilitate simulation activities and demonstrations for classes and visitors.
• Serve as liaison to appropriate vendors and industry representatives to troubleshoot technical issues and solicit training and/or assistance to nursing faculty and staff.
• Assist in the development, implementation, and evaluation of simulation-related safety policies and procedures.
- Attend and participate in professional development opportunities.
- Collaborate with nursing faculty to assess student outcomes.
- Other duties and responsibilities as assigned.

**MINIMUM QUALIFICATIONS:**
- Must hold a master’s in nursing from an accredited institution.
- Hold a current RN license in Washington State, or the ability to obtain prior to start date.
- Excellent communication skills, both oral and written.
- Two full-time equivalent years of registered nurse experience.
- Two years of simulation experience required with high and low fidelity manikins.
- Strong teamwork and interpersonal communication skills.
- Awareness of technology management systems.
- Demonstrated knowledge of instructional technologies, telecommunications, and other information technologies that apply to instruction and distributed learning.

**PREFERRED QUALIFICATIONS:**
- Community college teaching experience.
- At least two years teaching experience at the associate’s degree level or higher.
- Experience using a variety of teaching and assessment techniques to enhance student success, including online simulation and distance learning.
- Clinical nursing experience in medical-surgical nursing and/or community healthcare services.
- Demonstrated commitment to student learning.
- Willingness to take a leadership role in areas of educational and professional expertise.

**APPLICATION PROCESS:**
Send resume and cover letter to:
Dr. Kristen N. Hosey
Nursing Program Director
1300 Fifth St.
Wenatchee, WA 98801

Or email resume and cover letter to: khosey@wvc.edu

**Reasonable Accommodation:**
Applicants with disabilities who require assistance with the application and employment process will be accommodated to the extent reasonably possible. Requests should be made to the human resources office by calling 509-682-6440. Persons who are deaf or hard of hearing may dial 711 to place a call through Washington Relay, the state’s free telecommunication access service.

**Equal Opportunity Employer:**
Wenatchee Valley College is committed to a policy of equal opportunity in employment and student enrollment. All programs are free from discrimination and harassment against any person because of race, creed, color, national or ethnic origin, sex, sexual orientation, gender identity or expression, the presence of any sensory, mental, or physical disability, or the use of a service animal by a person with a disability, age, parental status or families with children, marital status, religion, genetic information, honorably discharged veteran or military status or any other prohibited basis per RCW 49.60.030, 040 and other federal and laws and regulations, or participation in the complaint process.

The following persons have been designated to handle inquiries regarding the non-discrimination policies and Title IX compliance for both the Wenatchee and Omak campuses:
- To report discrimination or harassment: Title IX Coordinator, Wenatchee Hall 2322M, (509) 682-6445, title9@wvc.edu.
To request disability accommodations: Student Access Coordinator, Wenatchi Hall 2133, (509) 682-6854, TTY/TTD: Dial 711, sas@wvc.edu.
