

Starting a New Club

1. Pick up a club certification, constitution and bylaws packet at the campus life office or at wvc.edu
2. Find 3 additional registered WVC students who share your interests and are committed to being club members
3. Find a full-time faculty or staff member who is willing to advise your club, travel with your club, and assist with paperwork
4. Complete the club certification, constitution, and bylaws packet and return to Campus Life, clubs may certify at any point in the year

Club Resources

Campus Spaces Student clubs can utilize the Knight's Club room, student lounge, Diversity, Equity, & Inclusion center, as well as many other spaces throughout campus for approved club activities, events, and meetings.

Equipment Campus Life can provide clubs with a variety of resources to support various club activities such as printers, poster making, art supplies, and more!

Promotional Resources Campus life provides a variety of materials to help promote your group/club.

Campus Life Office Staff reach out to the Student Leadership & Engagement Coordinator in the Campus Life office with your questions, concerns, or ideas.

WVC

Student Clubs

AG & Natural Resources

Provides opportunities to experience agriculture and natural resource practices and operations.

Advisor: Michael Lesky Email: mlesky@wvc.edu

AutoTech

Focuses on expanding the knowledge of automotive technology by working collectively with peers and community members. Additionally, the AutoTech Club seeks to expand community outreach.

Advisor: Bob Greiner Email: rgreiner@wvc.edu
Advisor: Tom Doherty Email: tdoherty@wvc.edu

Club of Natural Resources

Provides a platform for environmental stewardship, to work alongside government agencies and non-profit organizations to explore career prospects, and to create common space for sharing ideas, experiences, and information to further encourage a positive and active change in our shared natural environment.

Advisor: Jennifer Hadersberger
Email: jhadersberger@wvc.edu

Culture Club

Introduces diverse values and cultures to the community, assists international students in adapting to our community, and to provide a social network for students interested in other cultures.

Advisor: (this club is currently on hiatus and needs an advisor)

Cyber Knights

Expands and explores knowledge of Computer Technology.

Advisor: David Burns Email: dburns@wvc.edu

KAIZEN

Is a support group that focuses on personal development while promoting positive change. It is a safe place to share concerns, gain support, and build new skills.

Advisor: Ryan Poortinga Email: rpoortinga@wvc.edu
Advisor: Marichuy Alvizar Email: malvizar@wvc.edu

Machining

Encourages interest in the machine trade and promote collaboration between other related departments on the Wenatchee campus. The clubs focus is on team work and exploration in a metalworking production atmosphere. The goal is to create and produce various parts for a wide range of departments on campus and individuals in the community.

Advisor: Mickey Jennings Email: mjennings@wvc.edu

MASK

Medical Assistant Student Knights enhances, assists, and supports the academic and clinical success of each student currently enrolled in the MA program. The goal is to encourage participation in local, state, and national conferences. The focus is on helping build confidence in students as skills are developed.

Advisor: Jan Kaiser Email: jkaiser@wvc.edu
Advisor: Marilyn Brincat Email: mbrincat@wvc.edu

M.E.Ch.A.

M.E.Ch.A. is a student organization that promotes education, self-identity, and historical/cultural knowledge which benefits and empowers the Latinx community, thus, creating social change through self-determined political action.

Advisor: Marichuy Alvizar Email: malvizar@wvc.edu

Mechatronics

Combining past projects into one extraordinary project utilizing modern electronics.

Advisor: Zack Jacobson Email: zjacobson@wvc.edu

OSA

Creates an inclusive environment for LGBTQ+ individuals and their allies by promoting a positive space that helps the LGBTQ community and the college through community building, understanding, and support.

Advisor: Hart Johnson Email: sjohnson@wvc.edu

Refrigeration

Promotes professional and community activities with HVAC/Refrigeration Industries locally, regionally, nationally and internationally. Members participate in community events, business meetings, leadership conferences, seminars, conventions, and field trips. Additionally, members take part in community service to repair air conditioners and refrigerators for seniors and low income families, and they perform free home HVAC/Energy inspections for college staff, and students, as needed.

Advisor: Greg Jourdan Email: gjourdan@wvc.edu

Signing Knights

Encourages involvement of students with the deaf community, bridging the gap between deaf and hearing communities.

Advisor: Patsy Mugg Email: pmugg@wvc.edu

Skills USA

Promotes leadership and enhances skills to develop a stronger, more professional workplace.

Advisor: Mickey Jennings Email: mjennings@wvc.edu
