INTRODUCTION

This financial code supersedes all previous codes and procedures.

This Financial Guideline assures responsible allocation and management of student funds to provide for a wide variety of programs and activities to serve the diverse needs and interests of the Associated Students of Wenatchee Valley College and to provide for continuity in established programs and activities. It is intended to provide guidance for the shared stewardship of these funds by the Associated Students of Wenatchee Valley College and the college administration.

Chapter 28 and other related chapters of the Revised Code of Washington relating to education, state that all fees and all other income which the trustees are authorized to impose shall be deposited as the trustees may direct. Such sums of money shall be subject to the budgetary and audit provisions of laws applicable to state agencies.

In compliance with Washington State law, Wenatchee Valley College has created special Fund 522 accounts to be called Services and Activities Fees accounts into which shall be placed fees and revenues received by the College in connection with campus life, student programs, activities, clubs and organizations. The Services and Activities Fees accounts shall be used exclusively to account for the resources and functions associated with the various campus life programs and activities provided by the College. Separate accounts shall be kept for each program and organization.

All funds collected and expended in Fund 522 accounts are subject to the policies, regulations, and procedures of the Board of Trustees, the State Board, the Washington State Budget and Accounting Act, the State Office of Financial Management, the State Attorney General, and College administrative procedures.

Separate accounts shall be kept for each student program and activity. However, such funds are still considered state funds subject to budgetary, purchasing, and audit provisions of law applicable to state agencies. Insofar as the legal provisions are adhered to, this code has been authorized by the Board of Trustees of Community College District No. 15 for the governance of funds of the associated students.
The authority for administering the code and the budget and control of expenditures for the ASWVC and ASWVC, Omak funds has been delegated by the Board to the chief student development services officer or designee in consultation with the campus administrator of Wenatchee Valley College, Omak on matters concerning ASWVC, Omak student programs.

The objective of this code is one of providing a meaningful variety of educational, cultural, recreational, and social experiences. The raising and expending of funds by the associated students has but one basic purpose, which is the legal promotion of the general welfare and morale of the students as a whole. To that end, services and activities fee expenditures which are devoted to political or economic philosophies shall result in the presentation of a spectrum of ideas.

Violations of the provisions of this financial code by an entity within the associated students of Community College District No. 15 shall be just cause for revoking the sponsorship and/or funding of the violating program or activity.

Wenatchee Valley College is committed to a policy of equal opportunity in employment and student enrollment. All programs are free from discrimination and harassment against any person because of race, creed, color, national or ethnic origin, sex, sexual orientation, gender identity or expression, the presence of any sensory, mental, or physical disability, or the use of a service animal by a person with a disability, age, parental status or families with children, marital status, religion, genetic information, honorably discharged veteran or military status or any other prohibited basis per RCW 49.60.030, 040 and other federal and laws and regulations, or participation in the complaint process.

The following persons have been designated to handle inquiries regarding the non-discrimination policies and Title IX compliance for both the Wenatchee and Omak campuses:

• To report discrimination or harassment: Title IX Coordinator, Wenatchi Hall 2322M, (509) 682-6445, title9@wvc.edu.
• To request disability accommodations: Student Access Coordinator, Wenatchi Hall 2133, (509) 682-6854, TTY/TTD: dial 711, sas@wvc.edu.

ARTICLE I

FUNDS

Section 1. Source of funds. Associated student body funds are acquired from four sources: (1) services and activities fees which are paid at registration, (2) revenues from activities sponsored by the associated students, (3) contributions, and (4) interest earned on accounts.

Section 2. Use of funds. Associated student accounts are to be used to finance the student programs and activities. With the expressed prior approval of the State Board and, when required, approval of the appropriate legislative body, services and activities fee revenue may be used to acquire real property and fund capital projects, and may be used in matching funds for
such purposes. Monies in S&A Fee funded accounts should be used pursuant to state guidelines related to services and activities fees (such as the Killian Outline/Guidelines).

When authorized and approved in a manner consistent with these guidelines, fee revenue may be used for, but shall not be limited to:

1. Traditional and time-honored activities such as student government activities, student organizations/clubs, health and wellness programs, retreats, conferences, seminars, workshops, musical, dramatic, artistic, debate and forensic presentations of an extracurricular nature, student publications and other mass media initiatives, intramural and intercollegiate sports, tutorial services, career services and child care centers. Permissible expenses may include meals and lodging during group travel.

2. Equipment and materials required for the operation of campus life programs and activities.

3. Travel and per diem for students and professional staff members participating in campus life programs and activities.

4. Furniture and equipment for student use in informal or non-instructional student spaces as approved by the Associated Student Government.

5. Salaries of college employees directly related to campus life programs. S&A fees may be used only to the extent that the employees are engaged in student activities and programs – as opposed to normal maintenance and operation functions of the college.

7. Partial subsidization of a student food bank operation provided that it benefits only students.

8. Meals for reception or award ceremony attendees who are part of the sponsored program.

9. Meals and refreshments at approved student programs as incidental thereof.

10. Dues for institutional memberships in recognized student leadership, governmental or activities organizations.

11. Salaries and compensation for student employees.

12. Funds may be used to implement new student orientation.

13. Premiums for liability and casualty insurance for students serving in official capacities or participating in approved programs and activities.

14. Tutorial or co-curricular programs provided it is not to sustain a critical operation of the college.

15. Scholarships. RCW 28B.10.825 expressly provides for a limited amount of S&A fees ($1.00 per student quarter or $1.50 per student per semester) to be used for an institutional student loan fund for needy students. In light of the specific statutory authority and cap, the authority to devote any additional amount of S&A fees to any type of loan program is doubtful. It also makes authority for scholarships uncertain. A student-initiated scholarship program would certainly have to be directed at enrolled students with economic need or be supported by some sort of consideration, such as employment, participation or contribution to an extracurricular program by the recipient.
Section 3. Limitations. Regular salaries of professional employees in tenured faculty or administrative positions and permanent classified staff shall not be paid from student funds, nor shall stipends for activity advisers or coaches. Services and activities fee revenues shall not be used to fund activities, which involve the promotion of non-secular beliefs. Other example limitations on use of S & A fees are (these are only examples and are not an exhaustive list of impermissible uses):

1. Fund programs, personnel, facilities, equipment and maintenance covered within the State Board allocation model.
2. Free meals and/or lodging for anyone without consideration and with a donative intent.
3. Gifts of appreciation or concern for anyone (farewell gifts, flowers for bereavement, etc.) unless in return for participation or as an award for which one has competed and won.
4. Tips or gratuities for services rendered by anyone unless authorized by OFM.
5. Meals, lodging, coffee hours, receptions, or teas for a guest entertainer, lecturer, etc., unless required by the contract made for their services.
6. Programs or activities which violate the WVC Non-Discrimination Statement.
7. Donations of gifts of money or property.
8. Commercial sales, advertising, promotions, or activities which an individual or organization will derive private material gain, unless can clearly serve educational objectives and are conducted under the sponsorship or at the request of a department or student organization.

Section 4. General fiscal responsibilities.

A. Recording and reporting responsibility. It shall be the responsibility of the VP of administrative services to maintain proper accounting for associated student’s monies and to provide periodic reports to the chief student development services officer or designee, campus administrator of WVC, Omak, and other interested parties upon request.

B. Account responsibility. Those in charge of an activity may determine how monies are to be spent so long as the expenditure is within the policies and requirements of Community College District No. 15 and state statutes and is not an improper expenditure of public funds or contrary to sound financial practices. It shall be the responsibility of the chief student development services officer or designee, in conjunction with the VP of administrative services and the business office, to maintain property budget management and processing procedures, and to determine whether a purchase is within the legal limits of state funds.

C. Deposits and expenditures. All funds collected or revenues produced by or through associated student activity or athletic programs or fee collection shall be deposited with and expended through the business office of the district. The following points should be noted and observed by all student groups:
1. All monies collected as a result of any student activity or program must be deposited immediately. If needed, night deposit bags and cash report forms are obtained from the business office.

2. At the time of deposit, a receipt will be issued indicating the date, account to which the monies are to be credited, and such other information as will facilitate the accounting of the monies.

3. No disbursements from any accounts are made except by checks prepared by the business office according to district policies and procedures.

4. Any fundraised dollars or contributions will be deposited into a special non 522 budget and held in trust for each club or organization who raised those dollars. This account will not be rolled up at the end of each fiscal year but funds instead will continue to be available to the depositing club or organization from year to year. If the club or organization is no longer active for 5 years the funds raised will revert to the ASWVC Senate on each respective campus.
