Some programs have specific admissions procedures and limited space; therefore, admission to the college does not guarantee availability of all programs or courses. Financial support for students should come from three sources: the student, the student's family and financial aid programs. The financial aid office is available to assist eligible students for specific college programs when their personal or family resources are not adequate to meet educational expenses.

WVC offers the following types of financial aid: grants, loans, scholarships and employment opportunities. For additional information on financial aid resources, check the college website at [wvc.edu/financialaid](http://wvc.edu/financialaid).

## Advising and Educational Planning

509.682.6800 (Wenatchee)

509.422.7800 (Omak)

WVC assigns advisers to all degree-seeking students. Advisers provide assistance in education, career and life planning, and use a variety of tools and assessments to help students determine appropriate career and education plans, including quarterly class scheduling. However, the final responsibility for meeting all graduation requirements rests with the individual student.

Advising days occur once each quarter except for summer quarter. (Fall advising takes place at the end of spring quarter.) Students are encouraged to meet with their adviser during this time.

## Registration

509.682.6806 (Wenatchee)

509.422.7800 (Omak)

Registration is the process of enrolling in classes each quarter. Detailed information and procedures for registration, as well as important dates and deadlines, are available online at [www.wvc.edu/registration](http://www.wvc.edu/registration) or in the admissions/registration office. After completing the advising process, students will obtain a quarterly registration number from their adviser that allows for online registration.

The cards are accepted as valid photo ID by campus offices for purposes of obtaining transcripts, financial aid or payroll checks, or check writing at the bookstore. To obtain a card, bring a form of identification (ID) to the student programs office in Van Tassell Center on the Wenatchee campus. On the Omak campus, visit the Omak student government office.

509.422.7800 (Omak)

The goal of tutoring at Wenatchee Valley College is to provide supplemental instructional support. Tutoring services on the Wenatchee campus and on the Omak campus meet that goal by providing a dynamic, collaborative learning opportunity that enhances the educational experience at WVC. Tutoring services are available free of charge during fall, winter, spring and summer quarters to all enrolled students on both campuses. The tutor center is located upstairs in the John A. Brown Library on the Wenatchee campus and in the Learning Support Center on the Omak campus.

### **Running Start Program**

509.682.6855 (Wenatchee)

509.422.7848 (Omak)

Running Start allows high school juniors and seniors to enroll in high school and community college at the same time, earning credits that apply towards both high school graduation and college. If Running Start students choose to attend WVC full time both their junior and senior years, they may be able to graduate with a general two-year degree such as the associate of arts and sciences–DTA.

Home-schooled and private school students must enroll in a public high school to participate in this program. Running Start students qualify by taking the ACCUPLACER placement test and meeting with their high school counselor in addition to a WVC adviser. Running Start students pay quarterly fees to the college based on their course load and must pay for their

own textbooks; additionally, students may be charged tuition based on the number of credits they are enrolled in at their high school. Students may qualify for fee waivers and some textbook assistance by providing documentation (example: free or reduced lunch) to their Running Start adviser by the first day of the quarter, once per year.

## **Veterans Services**

509.682.6817 (Wenatchee and Omak)

2136 Wenatchi Hall 2136

[veterans@wvc.edu](mailto:veterans@wvc.edu)

A veterans education benefit specialist is located on the Wenatchee campus to assist veterans attending both the Wenatchee campus and the Omak campus with obtaining VA Education Benefits.

The main function of the veterans affairs office is to assist veterans/dependents with the application process and to monitor usage of education benefits for compliance with Department of Veterans Affairs policies and procedures.

If you are a veteran, have served or are currently serving in the military, are the spouse or child of a veteran, and are seeking eligibility for benefits, contact the WVC Veteran office. The office is located on the Wenatchee campus in Wenatchi Hall First Floor Rm 2136. Reduced tuition and fee waivers are available for eligible veterans, military service members and dependents.

The veteran office serves as a liaison between WVC and the U.S. Department of Veterans Affairs. A representative is available to assist veterans and dependents with activating VA educational benefits, as well as provide information and additional school funding and community resources. Individuals using VA educational benefits must submit their class schedule to the WVC Veterans office each quarter. WVC at Omak students may submit schedules and other documents to the WVC at Omak student services office. Additional guidelines and requirements for accessing and using benefits can be found at [www.wvc.edu/veterans](http://www.wvc.edu/veterans).

Selected programs of study at WVC are approved by the Workforce Training and Education Coordinating Board's State Approving Agency (WTECB/SAA) for enrollment of those eligi-

ble to receive benefits under Title 38 and Title 10, USC.

Schools should limit student enrollment to 85 percent veteran enrollment per cohort. In the event that a veteran wishes to enroll in a class that has already reached the 85 percent cap, he or she may do that but will not be eligible for VA funding. Chapter 35 and 31 students may still enroll even if the 85 percent has been realized.

#### Academic Warning, Probation and Suspension

The Academic Standards Procedure at WVC has been established to ensure that the college resources are used in the best interest of all current and future students. The procedure helps to ensure that students with academic difficulties are made aware of the many educational resources available to them. You are encouraged to assume responsibility for your own academic progress.

At the conclusion of each quarter, the grades of all students enrolled in that quarter will be reviewed.

Students who have attempted twelve or more credits in the quarter and whose grade point average that quarter is less than 2.0 will be notified of their situation.

- a) **Academic Warning** - A student attempting six (6) or more graded credits will be placed on Academic Warning when his or her cumulative GPA falls below 2.0. All students on Academic Warning will receive letters from the admissions department advising them of their academic standing and the next steps to take. The transcript will be endorsed "Academic Warning." Students will remain on Academic Warning status in subsequent quarters until their cumulative GPA is 2.0 or higher.
- b) **Probation** - If a student on Academic Warning attempts six (6) or more graded credits for a second time, and his or her quarterly GPA falls below 2.0, they will be placed on Academic Probation. All students on Academic Probation will receive letters from the admissions department advising them of their academic standing and the next steps to take. The transcript will be endorsed "Academic Probation." Students will remain on Academic Probation status in subsequent quarters until their cumulative GPA is 2.0 or higher.
- c) **Suspension** - If a student on Academic Probation attempts six (6) or more graded credits for a third time, and his or her quarterly GPA falls below 2.0, they will be placed on Academic Suspension. All students on Academic Suspension will receive

letters from the admissions department advising them of their academic standing and the next steps to take. The transcript will be endorsed "Academic Suspension." Suspended students will be dropped from any classes they may be enrolled in for the upcoming academic quarter(s).

## **Academic Regulations Committee**

## **Confidentiality of Student Records (FERPA)**

In accordance with the federal Family Educational Rights and Privacy Act (FERPA), Wenatchee Valley College enforces guidelines concerning information about the student's permanent educational record and governs the conditions of its disclosure. Except as otherwise indicated, the college will not provide information contained in student records in response to inquiries unless the student has given consent to the college in writing using the form at [wvc.edu/runningstart](http://wvc.edu/runningstart). Exceptions will be made if knowledge of the information is necessary to protect the health or safety of the student or other individuals or disclosure is required by law.

The following information may be released without notification to the student on a need-to-know basis, as it is representative of public directory information:

- Student's name, address (street and e-mail), and phone number
- Field of study
- Enrollment status (e.g., full-time or part-time)
- Athletic information
- Dates of attendance and completion
- Degrees and awards received.

The college provides additional information to military recruiters in compliance with federal Solomon Act requirements. Students wishing to be excluded from the student directory information as defined in PL.93-380 must file a quarterly non-disclosure request with the registrar to seal their records. Wenatchee Valley College assumes that failure on the part of any student to specifically request the withholding of directory information indicates individual approval for disclosure. By sealing your records, WVC will be unable to verify degrees, graduation or any other requested information. Call the admissions office at 509.682.6806 if you need further information.

## **Criminal Violations**

Any student who shall commit theft, assault, acts of forgery, or any other act on college facilities which is punishable as a gross misdemeanor or a felony under the laws of the state of Washington and which act is not a violation of any other provision of the rules of student conduct, shall be subject to disciplinary action.

## **Facts, Regulations and Programs Relating to Crime, Drugs and Alcohol**

Wenatchee Valley College cares about the safety and welfare of all its students and staff. The college is committed to maintaining an environment free of crime, illicit drug use and abuse of alcohol. While it is the policy of the college to assist students and employees to seek treatment for drug or alcohol dependency, any student or employee committing

criminal acts or participating in the unlawful use of drugs or alcohol on any property under the control of Wenatchee Valley College or participating in any sponsored activity shall immediately be subject to the rules and regulations concerning such acts and shall be referred to appropriate authorities.

The above information is published in compliance with the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226) and Chapter 28B.10 Revised Code of Washington and the Student Right to Know and Campus Security Act, 1990. (Public Law 101-542).

## **Grading Policies**

### **Grades and Grade Reporting**

The WVC grading system provides a permanent record of grade evaluations which reflect the student's course achievement. The following grades are used:

#### **Outstanding Achievement**

- A 4.0 points per credit hour
- A- 3.7 points per credit hour

#### **High Achievement**

- B+ 3.3 points per credit hour
- B 3.0 points per credit hour
- B- 2.7 points per credit hour

#### **Average Achievement**

- C+ 2.3 points per credit hour
- C 2.0 points per credit hour
- C- 1.7 points per credit hour

#### **Minimum Achievement**

- D+ 1.3 points per credit hour
- D 1.0 points per credit hour

#### **Unsatisfactory Achievement**

- F 0.0 points per credit hour

#### **Grades not included in G.P.A. calculation**

- I Incomplete (see description below)
- N Audit - Course not taken for credit (does not appear on transcript)
- P Passing - A grade of "C" or higher earns a pass; a lower grade earns a no pass, provisional pass or an "F."
- W Withdrawal (see description below)
- Y The "Y" designation indicates that a student is registered in an ongoing class. It may be used where the pace of work is largely dependent on the student in courses such as independent project classes or open laboratory/clinic classes. If you do not complete the class within one year, you must re-enroll if you want credit.

### **Grade Change**

A change of grade must be executed within two quarters, excluding summer, after the grade is earned. Initiating a grade change is the student's responsibility. The course may still be repeated for a different grade after the deadline for grade changes has passed. Contact the course instructor to discuss the process for grade changes.

### **Withdrawal**

A "W" designation indicates that you have dropped a class. The last day of each quarter to withdraw from classes is specified on the official Academic Calendar. Complete information on withdrawing from a class is available in the admissions/registration office.

Instructors may choose to administratively withdraw a student who does not attend the first two days of class, but the responsibility of withdrawing still lies with the student. Do not assume an instructor will withdraw you for not attending class. When in doubt, check the student portal to determine if you are still registered for the class or contact the admissions/registration office. Failure to formally withdraw from class will normally result in a failing grade. You can withdraw through the Registration function on the MyWVC Portal. You can also submit a Course Change form, available in the admissions/registration office.

## Audit

The “N” designation indicates that a student has elected to take a class with the understanding that no credit will be earned and no grade given. Students who choose to audit a class do not have to take the tests, but the instructor may require reasonable attendance and class participation. Full tuition and fees are charged for classes taken on an audit basis. Changes from credit to audit are permitted until the end of the 30th day of instruction. The instructor’s written approval is required after the fifth day of instruction. You will need to turn a completed Drop/Add form, with the instructor’s signature, into the admissions office to change a class to an audit status.

## The Incomplete (I) Grade

The “I” designation indicates that a student has been granted extra time by the instructor to complete required course work. Terms of completion are specified in a contract signed by the student and instructor. It is the student’s responsibility to initiate this contract. Contract forms are available in the admissions office. The maximum length of a contract is two quarters, excluding summer. An “I” grade is changed to an “F” if the terms of the contract are not met within the time specified.

## Pass/No Pass

The “P” or “NP” designation may be given in developmental classes. A “C” grade or higher earns a “pass”; anything lower earns a grade of “no pass.”

## Grade Point Average (GPA)

The grade point average indicates the general achievement of a student. It is calculated by dividing the total number of grade points earned by the total number of credit hours completed.

Here’s an example:

Class #1	5 credits. Grade is an A (value of 4.0). Grade points=5x4=20
#2	4 credits. Grade is a B (value of 3.0). Grade points=4x3=12
#3	5 credits. Grade is a C (value of 2.0). Grade points=5x2=10

This gives you a total of 14 credits and 42 grade points. Therefore, your GPA would be: 42 grade points / 14 credits = 3.00

The calculation does not include courses in which the student received grades I, Z, N, Y, W, S or P.

## Quarterly Grades

At the end of each quarter, grades are processed for each student enrolled for credit. Students may get their quarter grades and grades for the previous quarters from their student portal or at [wvc.edu/ctc-docs/student/waci002.html](http://wvc.edu/ctc-docs/student/waci002.html)

## Repeating a Course

You may repeat any course. Only the credit and grade earned in the last attempt are calculated in your GPA, unless the course description in the WVC Catalog specifically states you can repeat the course for credit. Courses repeated for credit, however, do not normally count toward the completion of a degree or certificate. Repeated courses will be designated with an “R” next to the grade on the transcript.

This only applies to courses taken at WVC. Courses taken at other colleges cannot be used to repeat a class on your WVC transcript.

Students receiving financial aid or veterans benefits should consult the respective office prior to repeating a course as financial penalties may be imposed. This procedure has no effect on admission criteria and procedures established for selected program areas.

## Setting Aside of Low Grades for GPA Calculations (as of Fall 2005)

This provision permits students to remove poor academic records that no longer reflect the students’ current academic performance. Only petitions to set aside all grades in a particular quarter will be considered. This option is not available for singular courses within a quarter. Grades that are set aside are not removed from the student’s transcript. Rather, an “\*” notation is placed next to the grade which indicates that the course will no longer be used when calculating a new cumulative grade point average. Credits that are set aside cannot be used to fulfill any requirements for graduation. Please note that Federal Financial Aid regulations do not recognize grade “set asides.” Students may only petition for a set aside provision twice during their time at WVC. Students may petition to set aside a quarter which has at least one grade that is a “C-” or lower OR where the quarterly GPA is below 2.0.

Two consecutive quarters of full-time class work with a GPA of 2.0 or better is required as evidence of a student’s changed scholastic performance. Part-time students can qualify for low- grade removal by completing 30 consecutive college-level credits with at least a 2.0 GPA. At least two calendar years must pass before a grade(s) can be changed under this provision. Exceptions to these procedures can be made by petition to the Academic Regulations Committee. Only grades earned at WVC can be set aside under this policy. Petition forms are available in the student services offices. Completed petition forms should be returned to the vice president of student services.

Caution: Although WVC makes provisions for setting aside past grades for the purposes of GPA calculation, do not assume that other colleges you transfer to will compute your GPA in the same manner. They may accept the credits and use the set aside grades for their calculations. WVC can only set aside grades earned at WVC. We cannot set aside grades from other colleges.

Note: Students planning to transfer to four-year institutions should be aware that many four- year institutions have strict policies on course repeats. We recommend checking with the transfer institution before repeating a class to determine course transferability.

## ***Rules of Conduct***

### **Purpose**

The student conduct code shall apply to student conduct that occurs on college premises, to

conduct that occurs at or in connection with college sponsored activities, or to off-campus conduct that in the judgment of the college adversely affects the college or the pursuit of its objectives. Jurisdiction extends to, but is not limited to, locations in which students are engaged in official college activities including, but not limited to, foreign or domestic travel, activities funded by the associated students, athletic events, training internships, cooperative and distance education, online education, practicums, supervised work experiences or any other college-sanctioned social or club activities. Students are responsible for their conduct from the time of application for admission through the actual receipt of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment. These standards shall apply to a student's conduct even if the student withdraws from college while a disciplinary matter is pending. The college has sole discretion, on a case by case basis, to determine whether the student conduct code will be applied to conduct that occurs off-campus.

Wenatchee Valley College students are both citizens and members of the college community. As citizens, students shall enjoy the same freedoms that other citizens enjoy. As members of the college, they are subject to those responsibilities which accrue to them by virtue of this membership.

Admission to Wenatchee Valley College carries with it the expectation that students will conduct themselves as responsible members of the college community, that they will comply with established rules and regulations of the college, maintain high standards of honesty and integrity, and respect the rights, privileges and property of other members of the college community.

Wenatchee Community College expects that students will conform to the laws of the greater society and regulations established to assure the orderly conduct of the affairs of the college.

The student is at once a member of the community at large and the college community. As such, the student is subject to the rights, responsibilities, laws and regulations of each community and accountable to both.

To accomplish these purposes, the college is governed by rules, regulations and procedures designed to safeguard its functions and protect the rights and freedoms of all members of the college community.

The following are examples of misconduct that is subject to disciplinary action. See the online WVC Student Code of Conduct for more details on other misconduct and the disciplinary process.

5. CTCNet shall not be used for commercial purposes. Advertising of commercial offerings is forbidden.
