Welcome to Wenatchee Valley College

This year will be full of opportunities for you at Wenatchee Valley College. Along with your classroom studies, a wide variety of activities are available to enhance your educational experience—from athletics to student clubs to special events. In addition, we have many student services to help you along the way including a tutoring center, computer labs, and library resources.

We encourage you to explore your options at WVC, to get to know your teachers and fellow students and to learn as much as you can both inside and outside the classroom. Your success is important to us. Please feel free to ask questions on how we can help you reach your goals.

We look forward to seeing you on campus.

Jim Richardson
WVC President

This student handbook has been developed for your use as a reference of resources, services and a daily planner. We hope you will find the handbook useful and that it will assist you in your journey toward meeting your educational goals at Wenatchee Valley College.

Wenatchee Valley College is your college and we encourage you to become actively involved on campus. Involvement in campus life is an important vehicle for you to develop valuable leadership skills, as well as a way to become better acquainted with other students. We hope you will consider involvement in student government and/or the various student clubs and organizations available to you. Become involved and make the most of your education. We invite you to stop by the student programs office on either campus to discover the many opportunities that are available to make your experience here more rewarding.

ASWVC Student Government

The ASWVC - The Associated Students of Wenatchee Valley College (ASWVC) is a self-governing student organization which functions within the framework of policies and regulations adopted by the board of trustees.

Student Senate - The majority of all student events, activities and projects are sponsored by the ASWVC student senates, which are the governing bodies at Wenatchee and Omak campuses.

The ASWVC student senate schedules student activities, charters student clubs, makes recommendations regarding student body policy, and provides a mature and effective liaison between the student body and the college administration and faculty. The Wenatchee senate also co-sponsors the athletic programs.

Meetings of the ASWVC student senate at each campus are conducted weekly. The student senates on both campuses schedule a wide range of activities, including orientations, elections, cultural and social events, dances, and intramurals, which provide entertainment and a variety of educational and community service opportunities for students.

Activity Council - The activity council coordinates and regulates all student activities on the Wenatchee campus with the approval of the student senate. The activity council, chaired by the ASWVC vice president, is composed of a representative from each student organization on the Wenatchee campus and approves program scheduling at its monthly meeting.

Wenatchee Valley College at Omak coordinates student activities through the events coordinator with the approval of the student senate.

Recognition as a WVC Sponsored Student Program - In order to be officially recognized as participating members of WVC student programs, all organizations must be approved by the ASWVC activity council, the student senate and the chief student programs officer or designee. In addition, intercollegiate athletic programs must have the approval of the athletic director. Anyone interested in chartering a new group should contact the student programs office.

Officially recognized organizations are eligible to: (1) use college facilities, (2) be included in student publications, (3) reserve activity dates on the official college calendar, and (4) be eligible to administer programs for the senate.

ASWVC Financing - A portion of each student's tuition and fees is designated by law as the services and activities fee. These fees, plus outside donations and fundraising proceeds, comprise the funds of the Associated Students. Typical uses of funds include clubs and organizations, athletics, and cultural and social events. Before funds can be expended, the WVC Board of Trustees must approve a budget for each group. It is the responsibility of the student senate to recommend the annual ASWVC budget to the board.

Clubs and Organizations

Student organizations provide excellent opportunities for social involvement. For more information about student activities and organizations, contact the student programs office in Van Tassell Center on the Wenatchee campus, the student services coordinator at the Omak campus, or visit the student programs Web site at www.wvc.edu.

Housing Information

Residence Hall Living on campus can be one of your most exciting and memorable college experiences. Our residence hall community emphasizes a successful transition to college by immersing students in WVC's learning community and by empowering students to establish and enforce community-living standards for behavior and active participation. For more information visit: www.wvc.edu.

Student Lockers Lockers for student use are available to rent on the Wenatchee Valley College at Omak campus. Contact any student government officer for more information.

Intercollegiate Athletics

Wenatchee Valley College is a member of the Northwest Athletic Association of Community Colleges. The NWAC is the parent organization for 36 community colleges in Washington, Oregon and the Canadian province of British Columbia, and offers excellent competitive opportunities for WVC athletes.

Intercollegiate sports offered at WVC are men's and women's soccer, men's and women's basketball, women's fastpitch softball, men's baseball, and women's volleyball. Intercollegiate activities are available on the Wenatchee campus only. A student must be enrolled in a minimum of 12 credits to be eligible to play. Athletic events are free for WVC students with an ASWVC identification card.

Facilities include a lighted baseball field, softball field, regulation-size soccer field and two practice fields, gym, free weights room, racquetball, basketball and tennis courts.

Intramurals

Intramural sports are available on the Wenatchee and Omak campuses. An opportunity for participation in intramural sports and special event activities is available throughout the academic year. Activities include open gym time for basketball and racquetball. Other special events and sports include cross-country skiing in Leavenworth, downhill skiing at Mission Ridge, trips for fans to Mariners baseball and Seahawk football games.

Student Identification Cards

Students who are enrolled in six or more credit hours are eligible to receive a student photo identification card. The cards provide free admittance to WVC athletic events (Wenatchee campus) and discounts at ASWVC events. The cards are accepted as valid photo ID by campus offices for purposes of obtaining transcripts, financial aid, payroll checks, or check writing at the bookstore. To obtain a card, bring a copy of your current registration to the student programs office (Wenatchee campus) or the student government office (Omak campus). A fee is charged for replacement cards.

Students are strongly encouraged to carry their ID card at all times. College employees and security service personnel may ask students for ID to determine if they may use college facilities, during an emergency, or at any time there is cause. Student ID cards are the property of the college and are not transferable. The college maintains copies of student ID cards on file.

Student Insurance

Accident and/or Sickness Insurance Plan Students registered at WVC for six or more credits per quarter are eligible for this plan. Certain dependents of eligible students may also be insured. In addition, students enrolled and covered under this plan during spring quarter may continue coverage through the summer without attending school summer quarter. Application and payment is made by the student directly to the insurance company. Coverage begins when payment is received and is not retroactive to the beginning of the quarter. Brochures are available at the cashier's station. Athletic insurance is provided for intercollegiate athletes. It is the responsibility of the athlete to notify the athletic director in order to submit a claim.

Advising/Assessment

Educational Planning and Academic Advising New students or students returning after some time must meet with an educational planner. Educational planners will assist you in interpreting COMPASS scores, selecting classes, and registering for your first quarter. A faculty adviser will be assigned for subsequent quarters. Your adviser will be familiar with your desired educational program and will meet with you each quarter before registration.

For more information, contact the Wenatchee campus student services, 682-6830, or the Omak campus student services, Student Resource Center, 422-7810.

Assessment COMPASS is the college assessment tool that provides reading, writing and math scores for placement and advisement. All students seeking a degree or certificate should take COMPASS prior to enrolling in classes at WVC.

Admissions/Registration

The admissions/registration office has an “open door” policy for any student who has a question or is concerned about the school or its policies. This office is responsible for the maintenance of all students’ academic records, which may include applications for admission, registration or add/drop forms, withdrawal from college, enrollment, and transcripts. The registrar’s office also conducts degree checks (graduation requirements) and produces all grade reports. For more information, please check the WVC Web site, www.wvc.edu.

Bookstore

The bookstore on the Wenatchee campus is located in Van Tassell Center. Students can purchase new or used textbooks, school supplies, art supplies, clothing, snacks, greeting cards and computer software. Purchases may be made using cash, check, MasterCard or VISA. ID is required. The bookstore offers a payment plan for required books, and a book rental program for some classes.

A dated WVC Bookstore sales receipt is required to return merchandise to the bookstore. The textbook return policy is as follows:

1. Refunds are allowed only during the first seven days of the quarter.
2. The dated cash register sales receipt is required.
3. New and used books may be returned; however, new books must be in new condition, unmarked, free of damage and still in their original packaging.
4. No refunds are allowed on any books after the refund period.
5. A 10% restocking fee will be charged on all returned books unless the student is exchanging books or withdrawing from class. For a full refund, the customer may be required to show a printed schedule to verify withdrawal.

Textbooks may be sold back to the bookstore the last week of each quarter during ‘Book Buyback.’ No receipt is required.

Textbooks for Wenatchee Valley College at Omak classes are marketed through a cooperative agreement with Rodstol’s Inc. located in Omak. For further information contact the Omak administrative office at (509) 422-7800.

Business Office/Cashier

Tuition, fees, parking permits and fines, other charges are paid at the cashier office on either campus. Fees can also be paid by mail or online with a credit/debit card. The cashiers distribute student payroll and other payments to students. Valid photo ID is required.

Cafeteria

The WVC cafeteria is located in the Van Tassell Center. Students, employees and guests are encouraged to use the facility.

A cafeteria is not available on the Wenatchee Valley College at Omak campus. An espresso machine is located in Friendship Hall, and vending machines are located in the student lounge area of the administration building.

Campus Posting Policy

Any signs, posters or notices to be placed on official college bulletin boards must be stamped “Approved for Posting” by the student programs office and be posted in such a way as to protect the facilities (signs, posters or notices promoting a WVC class or academic/vocational program do not need to be stamped, however they must display an end date and be removed after that date). Materials may be attached with low adhesive blue “painter’s” tape or with thumb tacks on approved bulletin boards. Fun-Take reusable adhesive and clear or “invisible” tape is not permissible. Signs are not allowed on any glass doors or windows, on any exterior marble-crete walls (for example, Van Tassell Center), or on unpainted brick such as the library. Generally, materials larger than 15” by 24” (the approximate size of a half sheet of standard poster board) will not be posted because of space constraints, unless approved for posting. Chalk is not allowed on sidewalks. The stall displays in campus restrooms are for student programs use only. College groups who wish to have information in the restroom displays or TV displays in Wenatchi Hall should contact the student programs office in Van Tassell Center. Unapproved items will be removed without notice. A free posting area, where approval is not necessary, is maintained on the outdoor kiosks and outside the café.

Wenatchee Valley College at Omak campus maintains a free posting area in the student lounge.

Career Center

The WVC Career Center is open to students and the general public and offers a broad range of career information and assistance. Whether it is occupation exploration, education and training, internship and mentorship opportunities, employment, or job search techniques, the career center offers a wide variety of materials and activities for individuals and classes. To make an appointment, call 682-6858.

Career planning services are also available at Wenatchee Valley College at Omak. Contact the student services office for more information.

Child Care

Through a partnership between WVC and the Wenatchee School District, affordable child care services are available to WVC students at the WestSide Early Learning Center, located at 1521 Ninth Street. This program provides quality, licensed child care to children from one month through five years of age while their parents attend class, study and work. Students wanting to find out more about the child care program should contact the early childhood education coordinator at 682-6633.

Counseling

WVC counselors provide academic, career and personal counseling. These services are free, voluntary and confidential for WVC students. Student services/counseling is dedicated to supporting students in their pursuit of academic and personal growth and in making good decisions about their lives.

Disability and Support Services

Students with special needs should contact the special populations coordinator at 682-6854 as soon as possible after deciding to attend WVC. The following types of accommodations are available, if needed, to students with documented disabilities: *Use of voice recorder in class, notes taken by another student in class, use of Franklin Speller, use of calculator, extended test time, quiet/low distraction-free place for testing, tests in large print and/or on colored paper, scribe, reader for exams, preferential seating, audiobooks or Etext, lumbar pillows/wrist rests, ASL interpreter, Kurzweil Reader, Dragon Naturally Speaking software, ZOOM Text, JAWs, book carriers, use of “white” noise while testing or during class, use of personal laptop in class, trackball mouse, large monitor or special keyboard, etc.*

Students requiring special assistance on the Wenatchee Valley College at Omak campus should contact the student services coordinator.

Financial Aid

Students who apply for financial aid at WVC are considered for a variety of federal, state and/or institutional programs. Students begin the process for applying for grants, loans and work study by completing the Free Application for Federal Student Aid (FAFSA). Students apply online at www.fafsa.ed.gov. Students should apply by March 15 for on-time status for the following academic year (starting in September). Applications can be submitted after the priority deadline of March 1 but funding may be limited.

Dropping a class or changing to audit can cause students to repay some of the financial aid they received and they may become ineligible for future financial aid. Monitoring of a student's academic progress is done even if they are not receiving financial aid funds. Students should check with the financial aid office or call 682-6810 for the most current information on financial aid awards and related policies. Financial aid information is also available at the WVC Web site.

International Student Programs

The international student coordinator assists international students from their first day of contact with WVC until their graduation or transfer to a four-year college or university. Before arrival in the U.S., information regarding WVC, the community, housing, locating a supporting family and more will be provided to the student. During the quarter, the international student coordinator will work with WVC staff, faculty and the community to make sure that the needs of the student are fulfilled. The international student coordinator's office is located in Van Tassell Center room 5003.

Library

The John A. Brown Library houses the library on the main and upper levels and four classrooms on the lower level. The library contains a wide variety of books, print periodicals and videos. The library catalog lists the book, periodical and video titles in both the Wenatchee and Omak libraries and the Central Washington Hospital library. The libraries also provide access to several other library catalogs. Other services include book and periodical circulation, reference assistance, reserve materials, interlibrary loans, group and individual study rooms, and a photo copier. An open computer lab is located on the upper floor of the library and contains computers with accommodations for students with special needs. For more information, see the library Web page, www.wvc.edu/library (or via the Quick Jump Library link on the WVC home page).

The library at the Omak campus is located in room 306. It has both print and non-print collections, the full range of library services, study areas and a photo copier. Campus and home access is available for the electronic resources via the library Web page.

Lost and Found

Contact the student programs office in Van Tassell Center at 682-6860 on the Wenatchee campus and the administration office at (509) 422-7800 on the Omak campus.

Multicultural Affairs

The office of multicultural affairs located in Van Tassell Center is designed to help students of all ethnic backgrounds pursue their educational opportunities. This office works with other departments and WVC at Omak to make sure that the needs of students are fulfilled in counseling, financial aid, registration, learning skills and student programs. Counseling, recruiting, job service and leadership are just a few of the services provided by the multicultural affairs office. Students wanting to find out more about multicultural affairs programs and/or services should call 682-6868.

Parking

Parking for students and employees on the Wenatchee campus is by permit only. Permits can be purchased at the cashier office in Wenatchi Hall. Daily parking permits may be purchased from the parking kiosk in lots by the Smith Gym, Sexton Hall, Brown Library and the Music and Art Center.

Permits must be renewed each quarter. Student parking fees are established without regard for the number of credits a student is carrying. Permits are the individual's responsibility and cannot be replaced if lost. Violators of the parking regulations are subject to fines. Questions pertaining to parking permits and violations or fines should be addressed to the WVC cashier at 682-6500. Parking rules may be viewed at <http://www.wvc.edu/directory/departments/parking/>

Parking is provided for students at WVC at Omak, with entrances on Birch Street and Bartlett Street. The parking fee is included in the comprehensive fee. No parking permit is required at the Omak campus.

Security

Any time a student has a safety concern, he or she may share their concern with a WVC employee or call security at 6911 (from a campus phone) or 509.853.8399. Students can also direct any safety concern to the student programs office located in Van Tassell Center or call 509.682.6860, in Omak, 509-422-7800. Bulletin boards with pertinent safety and security information are maintained throughout both campuses including reference guides for what to do during emergencies.

Tutoring Services

Tutoring for a variety of classes is available free of charge to all enrolled students. Each location provides a dynamic atmosphere of collaborative learning guided by competent, caring tutors who have a desire to help our students achieve academic success. The goal of tutoring is to provide supplemental instructional support that will enhance the educational experience at WVC. Tutoring may not be offered during the summer.

Veterans Services

Questions regarding eligibility for VA educational benefits should be directed to the Veterans Administration at 1-888-442-4551. Students who are eligible to receive VA educational benefits should also contact the WVC Financial Aid office or call 682-6810. The application process takes 6-8 weeks. Students must be prepared to pay their own tuition while they await completion of the application process. Monthly benefits are paid directly to the student.

Veterans are responsible for adhering to the approved distribution of courses required for their chosen degree program. Withdrawing from a class or taking the wrong course could result in an overpayment or a loss of benefits. Credit for prior military or civilian training must be evaluated within the first two quarters at WVC. Veterans are responsible for submitting official transcripts to document all prior training. Failure to do so will result in loss of benefits. Some veterans may qualify for tuition reductions and should inquire at the financial aid office.

WVC Alumni Association

Membership in the WVC Alumni Association is open to anyone who has taken 15 credits or more at Wenatchee Valley College. The Alumni Association is part of the WVC Foundation and exists to keep students connected to WVC after graduation, when they become Alumni of the college. The Alumni Association also encourages charitable support through annual giving – every gift makes a difference! Quarterly Alumni Networking Socials, the annual Knight at the Wild, the Alumni Loyalty Program, Reunions for clubs and programs, Alumni Spotlights and the annual Distinguished Alumni Award are just part of what the Alumni Association offers throughout the year. The WVC Alumni Association has a Facebook page which we encourage students and alumni to LIKE – all sorts of great information is posted and shared there. There is also a LinkedIn.com WVC Alumni group to help with professional

networking. WVC is only as strong as our alumni support and involvement is, so, when you graduate be sure to join. Once you're a Knight, you're a Knight for life! www.wvc.edu/alumni 509-682-6413

WVC Foundation

The WVC Foundation was established in 1973 with the sole mission of raising financial support. Approximately \$1 million or more is contributed by alumni and friends of the college every year! This support provides about \$200,000 in annual scholarships to students as well as support to programs through the purchase of industrial and medical equipment, computers, and more. Additionally, the WVC Foundation provides educational support to faculty and staff at WVC to ensure they have the latest technology and skillsets available so they can deliver the highest quality of education available and exceptional customer service. Every student at WVC benefits in one way or another from the efforts of the WVC Foundation. When students become WVC Alumni, it is the WVC Foundation's hope that the culture of philanthropy will continue through annual giving to help support the students and programs of tomorrow at Wenatchee Valley College. www.wvc.edu/foundation 509-682-6410

WENATCHEE VALLEY COLLEGE

OMAK

A:	Administration Building	100
B:	Mary Henrie Friendship Hall	200
C:	Classroom/Science Lab Building	300
D:	Hazel Allen Burnett Hall	500
E:	Heritage House	900
F:	WVC at Omak Foundation	
G:	WSU Upward Bound	
P:	Parking	

We encourage Omak campus students to park in the lot on Ash and Apple Avenue (next to the fire hall) within a block of campus or in the campus lot. This will help leave street parking spaces for our neighbors.

A new addition coming soon to WVC!
