Step Afrika! performs at WVC

In honor of Black History Month ASWVC brings you Step Afrika! a virtual performance on Thursday, February 25, 2 p.m. This performance blends percussive dance styles practiced by historically African American fraternities and sororities, traditional African dances, and an array of contemporary dance and art forms into a cohesive, compelling artistic experience. The blend of technique, agility and pure energy makes each performance unique and leaves the audience with their hearts pounding. Step Afrika! promotes stepping as an educational tool for young people, focusing on teamwork, academic achievement and cross-cultural understanding. Faculty Spotlight, Dr. Hewage

Dr. Hewage was nominated by second year student Karina Tobar who said. “Dr. H has made the online transition, dare I say, seamless. Although this might seem a little trivial to some, Dr. H always starts off her videos with a greeting or some type of acknowledgement that she is speaking to her students rather than just talking to a camera, as well as ending her videos with a, “Bye-bye, see you in the next video!” It makes me feel welcomed and a little less isolated.” View Dr. Hewage's future classes at wvc.edu/Courses.

Faculty Spotlight, Tina Avey

Tina Avey was nominated by second year student Piper Younie who said “Tina Avey is a phenomenal professor. She made the CNA course fun, given the COVID circumstances, and also went above and beyond to enforce the precautions. She is quick to respond and always gives the best advice. Tina Avey made my fall 2020 quarter one of the best quarters I’ve had in my college career.” View Tina Avey's future classes at wvc.edu/Courses.
